=====
OTHER COMMENTS*****
=====
This application was protested by Vernal City June 20, 1958.

This right has been disallowed because the treatment plant is no longer in
operation. As a result there is no flow coming from the site.

NOTE: All of the supplemental water sources are diverted by various means
      to the storage pond and are then delivered to the land by means of a
      sprinkling system.

```
